On September 25, 2024, U.S. Army Brig. Gen. Jackie Huber, North Dakota National Guard Deputy Adjutant General presented Vernon Fetch with a President’s Gold Volunteer Service Award at the North Dakota Veterans Cemetery. Vernon has volunteered more than 2,500 hours at the North Dakota Veterans Cemetery since it opened in 1992. Every summer our volunteer lawn mowers spend hundreds of hours keeping the Cemetery beautiful. The ND Veterans Cemetery and the ND Veterans Cemetery Foundation are both deeply grateful to all it’s volunteers!
